- 4 Fill out the information page, create a password and hit "go".
- 5 Next time you log in, enter the email you used to register and your password—then explore!

(More information on opposite side.)

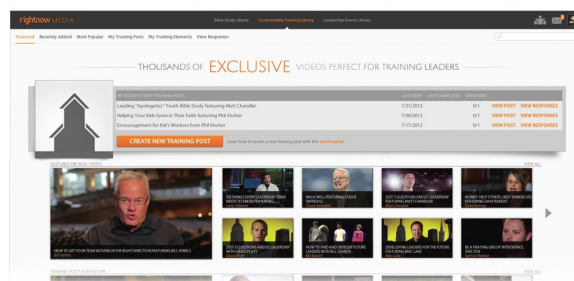

There are three different libraries to explore:

### 1. BIBLE STUDY LIBRARY

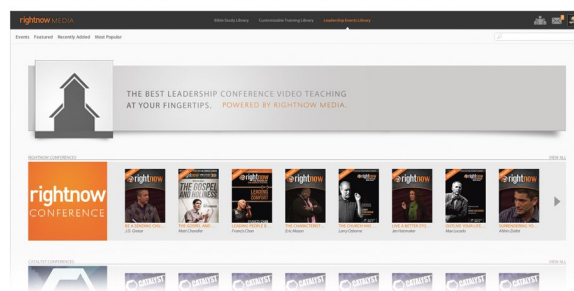

The Bible Study Library includes video discipleship content for every age group and every life situation. You can search by topic or browse through over 25 channels including *Just Released*, *Marriage*, *Parenting*, *Youth*, and others. Many of the series have direct links to reasonably priced workbooks and leader's guides that you can purchase to enhance your group experience. In addition, there's great content in this library for children.

### 2. CUSTOMIZABLE TRAINING LIBRARY

The Customizable Training Library is intended for leaders to send training posts to various teachers and small group leaders in your church. There are valuable video training clips on a wide variety of church and life issues, as well as hundreds of humorous and dramatic video illustrations that can help you make your point, whether in morning worship or during your small group.

### 3. LEADERSHIP EVENTS LIBRARY

Looking for something really challenging? Check out the Leadership Events Library. These longer leadership conference teaching sessions will stretch your faith and inspire you to grow. There's great content from leaders like Francis Chan, Bill Hybels, Dave Ramsey and many others.
